### Meeting point

On March 24th, there is an opportunity to play freely starting at 4 p.m. If interested, please provide a short message via WhatsApp.

At 8:30 p.m., following dinner, the official camp opening with detailed information will take place in the seminar room of Hotel Meteor. If you are unable to attend this session, all essential information will be available via WhatsApp or on madainitennis.at!

#### Entry requirements:

Please inquire about the current entry and exit requirements for your destination country before your departure. You can find up-to-date information on the website of your home country's Ministry of Foreign Affairs.

#### Travel documents

A passport or valid ID card is required for entry. A national driver's license is not a valid travel document. We recommend checking the identification requirements again before the start of your journey.

#### Entry of Minors

Children require their own travel document. Minors entering Slovenia without parents or legal guardians require a copy of their birth certificate and authorization from their parents or legal guardians. The necessary forms, including translations, can be requested

from our partner „Hannes Zischka Sportreisen“ (+43 316/286318).

#### Hotel Voucher:

The hotel vouchers have already been sent to the respective hotel via email. A valid ID is sufficient for check-in.

#### Financial Transactions:

All major credit cards are accepted.

#### Local Information:

In recent years, communication via WhatsApp has proven effective. Please provide us with your mobile phone number in advance.

#### Arrival Hotline

If you are delayed in your arrival or require assistance for any other reason, you can contact our travel management at any time (+43 699 11406992).

#### Emergency Numbers:

#### Highway Tolls:

In Austria and Slovenia, a vignette is required for highway travel, and in Slovenia, the vignette receipt must be carried at all times. Since 2022, the vignette in Slovenia is only available digitally. Additionally, there are two toll classes for two-lane vehicles in Slovenia - 2A (most car models) and 2B. The list of vehicles for toll class 2B can be requested from Hannes Zischka Sportreisen (+43 316/286318). In Italy and Croatia, tolls are based on the distance traveled.
